SUNDAY MORNING, .. JANUARY 11, 1857.

THE CASH SYSTEM

the last session of its Legislature, granting of success.

The Report before us is an able document, and those and leaning \$0,000 per mile to it, for ten years and leaning \$0,000 per m and loaning \$0,000 per mile to it, for ten years at 6 per cent. per annum, is attracting very general attention to its feasibility and eliciting bribes in hand, hireling wire-pullers, and penders or bounty of fifty-one dollars, and two hundred bribes in hand, hireling wire-pullers, and penders or bounty of fifty-one dollars, and two hundred bribes in hand, hireling wire-pullers, and penders or bounty of fifty-one dollars, and two hundred bribes in hand, hireling wire-pullers, and penders or bounty of fifty-one dollars, and two hundred bribes in hand, hireling wire-pullers, and penders or bounty of fifty-one dollars, and two hundred bribes in hand, hireling wire-pullers, and penders or bounty of fifty-one dollars, and two hundred bribes in hand, hireling wire-pullers, and penders or bounty of fifty-one dollars, and two hundred bribes in hand, hireling wire-pullers, and penders or bounty of fifty-one dollars, and two hundred bribes in hand, hireling wire-pullers, and penders or bounty of fifty-one dollars, and two hundred bribes in hand, hireling wire-pullers, and penders or bounty of fifty-one dollars, and two hundred bribes in hand, hireling wire-pullers, and penders or bounty of fifty-one dollars, and two hundred bribes in hand, hireling wire-pullers, and penders or bounty of fifty-one dollars, and two hundred bribes in hand, hireling wire-pullers, and penders or bounty of fifty-one dollars, and two hundred bribes in hand, hireling wire-pullers, and penders or bounty of fifty-one dollars, and two hundred bribes in hand, hireling wire-pullers, and penders or bounty of fifty-one dollars, and two hundred bribes in hand, hireling wire-pullers, and penders or bounty of fifty-one dollars, and two hundred bribes are penders or bounds or beautiful to the penders of th tions of its success from the public press. The length of the survey from Marshall to El Paso is 783 miles, and the aggregate grant of lands will amount to 8,000,000 acres in round numbers. The Illinois Central Railroad Company have sold their landsfreely during the first three lates of the past year at \$12. \$15, and \$16 as and discussion the constitutionality of the last fifteen minutes.

It was past nine o'clock.

It was past nine o'clock.

It was past nine o'clock.

"Come, why don't we start?" growled an o'd fat Swede, who had been watching me narrowly fifteen minutes.

The odds are greatly in favor of the Revolutionist party, as they have got the frigate and two or the Government steamers, cannot need the about two weeks before.

The come, why don't we start?" growled an o'd fat Swede, who had been watching me narrowly for the last fifteen minutes.

The odds are greatly in favor of the Revolutionist party, as they have got the frigate and two or the Government steamers, cannot need the start of the command of the ex-Commander Salcedo.

The odds are greatly in favor of the Revolutionist party, as they have got the frigate and two or the Government steamers, cannot need the start of the command of the ex-Commander Salcedo.

The odds are greatly in favor of the Revolutionist party, as they have got the frigate and the man and told us that he had been there about two weeks before.

The odds are greatly in favor of the Revolutionist party, as they have got the frigate and the man and told us that he had been there about two weeks before.

The odds are greatly in favor of the Revolutionist party, as they have got the frigate and the man and the per acre. These lands were in no better request before the completion of that great work than are the lands along the line of the Pacific Railroad in Texas. Indeed the tide of emigration had not so firmly set in that direction, and the country was more sparsely settled.

Will have to use some stratagem, such as surprising them in the night or immediately board-ing. At this juncture some one prising them in the night or immediately board-ing. It is falsely charged that the Southern Pacific Railroad in Texas. Indeed the tide of emigration had not so firmly set in that direction, and the fact. This Company is already on its way to the ports on the coast; but Castillia will no doubt the fact. This Company is already on its way to the ports on the coast; but Castillia will no doubt the fact. This Company is already on its way to the specific and is successfully carrying a report of the pacific and the

grasses. It is about the centre of the cotton belt. Wheat grows at the rate of thirty bushels per acre and of the heaviest quality. Sheep line, to as great advantage as any region in the est route between the great cities of the Atlan- Prom the Boston Journal, 20th.] States. The supply of cotton, it must be restined planes, unobstructed by snows, passing through the best watered country to be found, it must be restined planes, unobstructed by snows, passing through the best watered country to be found, with the increase of the population of the world, while the older portion of the country—the richest and most inexhaustible world, while the older portion of the country—the richest and most inexhaustible coal mines, gold, silver, copper and lead, to say anothing of iron—and it is the route that must be restined planes, without instance and it is alway, cautious tone, at the same time gazing quietly about him, as though he wanted in alway, cautious tone, at the same instance and in a low, cautious tone, at the same time gazing quietly about him, as though he wanted in alway. The planes, withing the leaf of the said in a low, cautious tone, at the same instance and in a low, cautious tone, at the same instance and in a low, cautious tone, at the said in a low, cautious tone, at the region is fast wearing out. Who then can nothing of iron-and it is the route that must the road progresses, at least as high as those pleted.

BY JAMES W. WARD.

As thy day is, so shall thy strength be .- Deut. muziti, 25 When o'er my heart comes sorrow's blight, When hope has fied
And joy is dead,
And thy head bends down in wretchedness, When summer friends pass by And tears bedim thins eye;

E crive the promise trustingly,
"As is thy day thy strength shall be."

When earth has proved a mockery, And faith and love, still sought by thee,
Approach no more
Thy humble door; And hearts thy innocence reject, That once would shrink from such neglect; And falsehood mocks, and pride And folly then deride;

e firm, the promise speaks to thee, As is thy day thy strength shall be." When sickness wastes thy feeb's blood, And, as the worm the opening bud, Destroys thy life, And a fewerish strife Is raiging in thy aching breast,
That robe thy pillow of its reet;
When every nerve is pained,
And every fiber strained
To agony; 'its promised thee

"As is thy day thy strength shall be." When helpless age shall overtake Thy weary years, and thou shall wake Prom hope's dear dream, O'er life supresse, Whose promised pleasures never came, in youth or manhood, still the same-Shall wake to wither then, A blank in sight of men, Tottering and weak; God speaks to thee, "As is thy day thy strength shall be."

And when in that uncertain hour Comes Death, with Heaven-commissioned power, To bear thy soul Beyond life's goal ; And life is tingering, both to go, And the pulse is beating faint and slow, And the soul its weakness feels Its mysteries; Faith whispers thee

As is thy day thy strength shall be." MY EARLY LOVE.

BY WADSWORTH. It was an ardent boyish love, That faded out, as life grew older; My heart fied to her like a dowe, And lighted on her besuteous shoulder; Or apped the honer from her lips, Or in her eyes found heavenly gracesl lowed her to her finger tips— I lowed her wery foot-primt traces. Her feators wore a rapherous charm, Her smile made all within me flutter; u rounded beauty was her arm. Her little hand was fut as butter. No wonder that I loved her so, But she was false as she was pretty, And soon she sacked her little beau, And took a big one from the city I caught him out one gloomy night-'Twas one of love's extremest phases-

I aggravated him to fight, But oh! he larruped me like blases!

compensation for all that is suffered by woman faceville, Ballard county, Ky., on Wednesday in the morning, granted his blessing to the convex lens would not be so objectionable. A piece of the boiler struck William Sanders, breaking his back, neck and skull, mangling him shockingly. It is supposed that he never breathed after he received the blow. Mr Sanders had taken his corn to the mill, and had gone to the boiler to warm himself but a minute, with the intention of returning home and coming for his meal in the evening. Mr. Wm. Dewilt, the brother-in-law of Sanders. who had also gone to the grist mill, was badly though not dangerously hurt. A negro man, the property of E. D. Williams, who had gone for meal, and a negro man belonging to James B. Willis, were killed by the explosion. One of them died on Saturday night, the other on
